Closing a Dust Control Permit

Closing a Permit through the Dust and Miscellaneous Portal

Maricopa County Air Quality Department

October 2022

Closing a Dust Control Permit

To close a permit, the user must be connected to the company which holds the permit.

Using Google Chrome, log in or create an account on the Maricopa County Air Quality Department's (MCAQD) [Dust and Miscellaneous Portal](#). On the left-hand menu, select **My Dust Control Applications**.

About

Home >

Welcome, Gus T. Breeze

- My Dust Control Applications
- My Open Burn Applications
- My Subcontractor Registrations
- My Vapor Tightness Records

Welcome to the Maricopa County Air Quality Department's Dust and Miscellaneous Portal for permit applications, registrations, and notifications.

To complete tasks within the portal, you must first register as a new user or login to your existing account. For best performance, use Google Chrome as your internet browser, and enable pop-ups from maricopa.gov.

For additional assistance, select the **Help** tab located in the upper right-hand corner of the screen.

A public record search for existing application information does not require a user registration or login.

Home | Dust Control | Open Burn | Subcontractor Registration | Tanker Truck Certification (Vapor Decal) | Pay Invoice | Invoices | Help | Profile | Logout

Under Submitted Dust Applications, find the dust control application you wish to close. Select the Dust Application ID. If you cannot find the application you are looking for, contact AQDImpact@maricopa.gov.

Phoenix, AZ 85012
Phone: 602-506-6010

For technical assistance contact AQDImpact@maricopa.gov or 602-506-7833

Scroll to the bottom of the screen and select **Close Permit**.

In the pop-up window, enter the **Reason for closing permit** and select one or more stabilization methods. Select **Close Permit**.

You will receive an information message at the top of the screen stating that the dust control permit was successfully closed. The dust application status will also indicate that the permit has been closed.

The screenshot shows the Maricopa County Air Quality Department website interface. At the top, there is a navigation bar with links for Home, Dust Control, Open Burn, Subcontractor Registration, Tanker Truck Certification (Vapor Decal), Pay Invoice, Invoices, and Help. Below the navigation bar, there is a section for 'My Dust Control Applications' with a sub-link for 'Dust Application Detail'. An information message is displayed, stating 'Successfully closed dust control permit D0027259', with a red arrow pointing to the message. Below this, there are two tables: 'Draft Dust Applications' and 'Submitted Dust Applications'. The 'Submitted Dust Applications' table has a red arrow pointing to the 'Status' column of the first row, which is 'Closed'. The table also includes columns for 'Submitted Date', 'Effective Date', 'Expiration Date', 'Closed Date', 'Previous Dust Application No.', 'Project Start Date', 'Project Completion Date', 'Project Address', 'Project City', 'Parcel No.', 'Block Permit?', 'Accelerated?', 'Invoice Number', and 'Total Charge Balance'.
